Detailed Record Keeping

- Tracks and records media serial/asset numbers, user ID, witness ID, date, time, location and diagnostic information in a password-protected system

- Provides proof media was sanitized by automatically capturing a JPG image of the media immediately after degaussing*

- Informs operator with a green "PASS" or red "FAIL" and numerically records the degausser's field strength immediately after each degauss cycle*

- Records the Garner PD-5 crush depth immediately after each cycle

- For hard drive and solid-state physical destruction, captures a before and optional after destruction JPG media image

- Operates in 2 modes: "Verification Mode" with prompts for new operators, and "Processing Mode" for faster processing

- ETL Listed • UL, IEC, CSA and CE certified • FCC compliant

* Garner degaussers only

Exportable Reports

- CSV files with detailed media destruction information and results

- High resolution JPG images of each piece of processed media

- Excel files with detailed media destruction information and results

- PDFs with certificates of erasure & destruction and JPG images of processed media

- Gauss testing log & report verifying Garner degausser performed to factory specifications

- Export options: flash, Ethernet, or optional optical media burner

IRONCLAD Verification

Add IRONCLAD to any Garner Degausser and/or destroyer. The IRONCLAD universal model can be integrated into an existing destruction process or function as a stand-alone witness verification.

1. 2. 3. 4.

Interface

1. Ethernet
2. 4 USB ports (To connect with: bar-code scanner, thumb drive, optional mouse, or keyboard)
3. HDMI
4. Power (Connects to standard wall outlet)

SPECIFICATIONS	
IRONCLAD Includes	Image capture system Touchscreen control head Report generating software Scanner and stand Stylus Software support for one year
Optional	**DVDRW-1:** Optical media burner, TAA compliant
Certifications/ Listings	ETL Listed • UL, IEC, CSA and CE certified FCC and TAA compliant
Screen size	7 in.
Storage capacity	16 GB
Power requirement	90-240VAC, 47-440 Hz
Power consumption	15W
Overall dimensions (HxWxD)	Touchscreen: 6.6 x 9.6 x 2.5 (in.) 168 x 244 x 64 (mm)
Warranty	**IRONCLAD:** One-year manufacturer's limited warranty **Scanner:** Ninety-day manufacturer's limited warranty standard
